Dear Parishioners,

What would it mean if Easter, the Resurrection of Jesus, had not taken place? We certainly would not go to Mass on Holy Thursday night, the liturgy of Good Friday, and most of all, Mass on Easter Sunday! If there was no Resurrection, the story of Jesus would have ended with what happened on Good Friday at Calvary. His body would have decayed, and he would have become a has-been of history.

But that would mean that God does not take initiatives in history; that He is either unable or unwilling to touch this world of ours, our human living, and our human dying. And that in turn would mean that love is futile, trivial, and an empty and vain promise. It would mean that there is no judgment and no justice. There would be no judgment because there is no love to freely choose or not to choose.

Many people, including both good and evil people, would welcome that because it is easier to fear than it is to trust in a love that you cannot see.

All of this makes clear what Easter does mean: God has truly acted. Jesus really did rise from the dead. History does not go on aimlessly, and there is a point and purpose to God’s plan for all of us. Justice, love, and truth – these are realities, genuine reality. God truly loves us, and he comes to meet us. The more we go along His path, and live in His way, the less we need to fear justice and truth, the more our hearts will be full of Easter joy.

Easter is not only a story to be told once a year in the Spring time; it is road sign on life’s way to eternity. It is not just an account of a miracle that happened a very long time ago; it is a breakthrough which has determined the meaning of all of history, and the meaning of all of our lives. If we can grab hold of this, we too can speak the Easter greeting with great joy: Christ is Risen! Yes! He is Risen indeed! Alleluia!

Sincerely yours in Christ,
