“All Souls Day Mass Intentions”: The Mass is the highest form of prayer and it is good to pray for the deceased at Mass! We will again this year have the All Souls custom where, in the Commons, you list the names of all those who have died who you want to pray for, and, in the marked box put whatever amount you deem appropriate as a stipend. Or put the stipend in an envelope clearly marked for that purpose, and drop it in the collection basket. These will be collected through October. The names are put together as “All Souls Day Intentions” and the stipends collected are divided into the standard \$10 Mass stipends. That many Masses are then offered throughout the year for all those listed. This way, probably on a weekly basis, one of the priests’ Mass intention will be for all these departed family members and friends.

Consecration of the Election to the Blessed Virgin Mary
 Mary Immaculate, living tabernacle of the Divinity, where the eternal Wisdom lies hidden to be adored and served by angels and men, Queen of Heaven and of Earth, beneath whose sway are subject all things that are lower than God, Patroness of the United States of America, sorrowful and mindful of our own sinfulness and the sins of our nation, we come to thee, our refuge and hope.
 Knowing that our country cannot be saved by our own works and mindful of how much our nation has departed from the ways of thy Son, we humbly ask that thou wouldst turn thine eyes upon our country to bring about its conversion.
 We consecrate to thee the integrity of the upcoming election and its outcome, so that what is spiritually and morally best for the citizens of our country may be accomplished, and that all of those who are elected would govern according to the spiritual and moral principles which will bring our nation into conformity with the teachings of thy Son.
 Give grace to the citizens of this land so that they will choose leaders according to the Sacred Heart of thy Son, that His glory may be made manifest, lest we be given the leaders we deserve. Trusting in the providential care of God the Father and thy maternal care, we have perfect confidence that thou wilt take care of us and will not leave us forsaken.
 O Mary Immaculate, pray for us. Amen.

This week's featured Sister in our Diocese:

Please pray for all our sisters in formation and seminarians – especially seminarian Adam Bohan from our parish.

A new church directory is in the works, and it's time to schedule your picture to be taken! *By participating, you will not only receive a free 8x10 portrait, church directory and mobile app on your phone, but pictures will be ready before Christmas.* The directory will have the usual roster of parishioners' names and addresses, etc., and it would be the greatest if we had matching pictures! **You can schedule your photo date online – instructions for that can be found below. Our parish directory will not be complete without you! You are picture perfect!**

Jubilate Youth Choir is now recruiting members!

What: Youth choir for students ages 2nd grade and up, for StJB students or homeschool/CCD students who are parishioners at CHS. (1st grade by invitation if they display the maturity needed to be successful in choir.)

"Jubilate" (yoo-bee-latte) means "joyful noise" in Latin.

When: The group will debut at the 4pm Mass on Christmas Eve, Dec 24. Then, beginning in January 2025, they will lead music at a designated Mass on the 4th weekend of the month - initially at the 10:30am Mass on Sun, Jan 26. Rehearsals will be once monthly, the Monday prior to the 4th Sunday, 3:30-4:30pm.

Why: To develop a love of sacred music and learn how to lead music reverently and joyfully at Mass. To learn simple 2-part harmony pieces and represent our parish and school in a positive way both at church and in our community.

Where: Practices will be held at StJB school in the music room, with Mass being held in the church.

To express interest and commitment to the Jubilate Youth Choir, please fill out the form that was sent home with St. John and CCD students, or that can be found in the Commons. Return by Monday, October 21 to Mrs. Clark, school office, or rectory. Mrs. Clark has led such choirs in the past at other parishes, and is excited to be offering this as an opportunity for our youth here! Rehearsals will begin Monday, October 21 in preparation for our debut on Christmas Eve at the 4pm Mass. Two additional rehearsals will be scheduled prior to Christmas as well.

Direct questions to Mrs. Hannah Clark, 3rd grade teacher, StJB School: hannah-clark@cdolinc.net

The Legion of Mary is going to offer a “Do-It-Yourself Retreat”, for women or men, in preparation for making or renewing a Marian consecration. We did this a few years ago and would like to do it again. Some of you may still have the book, and you can use it again this time. It is called “33 Days to Morning Glory” by Fr. Michael Gaitley, and it is based on what was promoted by St. Louis de Montfort. As it says, it takes 33 days to complete the consecration. If you would like to do the retreat as a group, we will start on Nov 5 so that it will end on Dec 8, feast of the Immaculate Conception.

Every week we will read about how one of our four giants of Marian consecration lived out his or her consecration to Jesus through Mary. The goal is to ponder their message in our hearts. If you want to know more about our Blessed Mother through four great saints, this would be a great opportunity. We will be selling the books for \$5.00 NEXT weekend – Oct 12/13. When December 8 comes around, we will really have something to celebrate! Any questions, ask them at their table! Or call Sherry LeBlanc, 321-3372.

The Eucharist and Eucharistic Adoration

For a rich reflection on PRAYER, consider a visit to the Franciscan Sister’s Motherhouse in Nebraska City for a presentation Monday, October 14, 6:30-8:00 pm or Wednesday, October 16, 9:30-11:00 am. Receive Bishop Robert Barron’s new book, *An Introduction to Prayer*. This book is filled with profound insights for those looking to further their spiritual life. This session hopes to inspire you to seek out more frequent conversations and a deeper communion with God.
347 N. 62nd Road, Nebraska City

Current open Adoration Hours at CHS:

Sundays at 1am, 2am & 3am;
Mondays at 2am;
Wednesdays at Midnight & 3am, Noon & 10pm;
Thursdays at Midnight & 2am;
Saturdays at 1am, 2am, 3am & 4am

Substitutes are currently filling those hours each week, as every hour must be covered – one of the “rules” of being allowed to have Adoration with the Blessed Sacrament in the monstrance. Would one of the above open hours work for you??? Maybe try it out a couple of times to see how it is! *(To do that, write your name by the open hour on the Adoration papers on the table in the Commons. It will be for a particular hour on a single particular date.)* Or... do you have questions about our Perpetual Adoration? Call Traci: 297-2295

Can you HEAR faith?”, and “Who would YOU choose to be your altar server?” Check out this group of 27 short videos at RelevantRadio.com/EucharisticEncounters

Dear Parishioners,

I want to give a huge thank you to our St. John the Baptist Home and School Association and all volunteers for their hard work and stewardship of time and talent in making this year's "Oktoberfest" a great success! Everything about it was top-notch, and it takes many dedicated volunteers to make something like this go off so smoothly. From the live music to the fun games, the dunk tank included(!), the delicious food choices and watching the Huskers win on the big screen, it was a great night of community for our church and school. Thank you to everyone who organized the fundraiser and helped out large and small; you are very much appreciated.

Volunteers will be in the Commons one more weekend before and after Mass to help you find and fill out your pledge card for the important Bishop's Appeal for Vocations. Please be generous to this annual campaign. As Father Pfeiffer said in his homily last week, we have to pray now for the young men who are even considering the priesthood, so that they will have the courage to say "Yes" to God's mysterious call to follow Him in this deep way.

Seminarians do have to pay some of their own tuition, so they do have some "skin in the game". But it would be an incredibly high amount to have to pay all by yourself. They would not be able to do it without our help. It would be awful for a young man to decide that he could not attend the seminary because he could not afford it. Your gift to the Appeal is really an investment for the future of our church here and across the Lincoln diocese.

It was also great to see many of you at the Life Chain Sunday afternoon! It was a little warm, but even a small inconvenience like that can be offered up for the unborn, the conversion of parents contemplating an abortion, as well as the conversion of motorists driving by us on Sunday. We heard and saw a small number of vulgar comments and gestures, but I think that is exactly why we NEED to be out there witnessing to the truth of Life! Our prayerful presence Sunday poked at their hard hearts, and please God over time, those hearts will be melted by God's love to see the need to end all abortions. There were many more honks and shouts of love and support. We are a pro-life church and a pro-life state, so let's continue the good work of advocating for babies and mothers.

Sincerely yours in Christ,

Fr. Sean M. Timmerman

We Must Retain Referendum 435 for Nebraska Families

By Jeremy Ekeler, Director of Opportunity Scholarships of Nebraska

Much has been said and written about education freedom (aka “School Choice”) over the last year by its opponents. Nearly all of those comments have been steeped in unfounded speculation wrapped in political messaging that prioritizes systems and money over families and kids. I am the Director of the state’s largest scholarship granting organization. We work with thousands of Nebraska families to help them get to any of our 170 partner schools. I’d like to present a perspective of the importance of school choice based upon actual experience.

Our organization, “Opportunity Scholarships of Nebraska” (OSN), has used the tax credit incentive in LB753 (one of over 30 in Nebraska) to turn taxpayers state income liability into scholarships for students looking for the right educational fit. This tax credit opportunity ends October 21st. In addition, we are now helping implement the new LB1402 “Education Scholarships” program, a \$10M scholarship appropriation. In the first weeks of launching our website we received interest from over 5,000 Nebraska families. Surprisingly, initial interest was especially high in cities, towns, and villages west of Omaha and Lincoln.

We hear stories from Scottsbluff to Nebraska City daily, but they are not the politically charged talking points we’ve been inundated with by Teachers Union opposition. Instead, they are stories both unique and personal: A single dad in armed forces who wants to take care of his three kids in central Nebraska. The tale of a recent widow who wants all her kids in the same school without having to work multiple jobs to make that a reality. The story of a small business owner who nearly lost everything during COVID and is scrambling to put her family’s life back together. A grandmother raising her grandchildren after the sudden passing of their mother.

This November you will choose: RETAIN Referendum 435 and protect these families’ rights, or repeal and strip away them away.

We are asking all Nebraskans to defend their parental rights, and those of folks in their community, by voting RETAIN on Referendum 435.

Nebraska has recently made historic investments in public education, to the tune of over \$15,000 per student. And a surprising number of the parents we hear from are proud current or former public school educators. They tell us that Opportunity Scholarships make sense because we must prioritize the future: our children. They are witnesses of race and socioeconomic learning gaps, understand the post-COVID fallout, and see no reason for

the political divide. At the same time, many are unabashed in their support of public education. As one said, “We need great public schools. It’s a great fit for most kids. But my little one, for example, needs something different. We should have both options; two things can be true at the same time. Let’s educate children together.”

Stories are one thing, but the data is also revealing. Roughly 50% of applicants to OSN are from outside of the Lincoln and Omaha areas. Over a third are under the poverty standard for the Children’s Health Insurance Program (213% of poverty) and the majority are below 300% of poverty. In short, this program is helping hard-working Nebraskans - these folks are your neighbors and co-workers.

To pull the lens back a bit, to most of our friends in other states educational opportunity is the norm (as it is worldwide in most developed Christian countries). We are seeing new and massive expansions of programs across the US. This is because, with over 30 years of experience and data in the US, school choice programs clearly change lives. Now we’re seeing it firsthand in Nebraska, which is a beautiful thing for our families, kids, and future.

We love to talk about “local control” in Nebraska. Nothing is more local than a parent having the power to choose what’s best for their child. So the next time the political rhetoric ratchets up, remember the thousands of fellow Nebraskans whose lives are or will be changed by this opportunity. As one emotional parent wrote to us, “This scholarship means everything to us. Thank you.”

These are the families that need us to vote RETAIN on Referendum 435 this election cycle.
